Research Bulletin

OF THE

National Education Association

INDEX TO VOLUME XXVII, 1949

Ability grouping: *See* Organization, in city schools.
Administrators: distribution of salaries, cities over 30,000 in 1948–49, 58; distribution of salaries, cities under 30,000 in 1948–49, 59; median salaries and index relationships, cities over 30,000, 1930–31 to 1948–49, 63; median salaries and index relationships, cities under 30,000, 1930–31 to 1948–49, 64; salary trends, 1930–31 to 1948–49, 46–52.
Adult education: extent of use, 23; provision of, by city size, 24; trends in 1948, 25.
Advance Statistics of State School Systems, 1939-40: reference, 134.
Alcoholic beverage taxes: described briefly, 79, 93; legislation by states, 93–96.
Allocated taxes: discussion, 78–79.
Attendance officers: distribution of salaries, cities over 30,000, 1948–49, 61; distribution of salaries, cities under 30,000, 1948–49, 62; salary trends, 1930–31 to 1948–49, 46–52.
Attorney General, Opinion: reference, 108.
Audio-visual education: *See* Organization.

Biennial Survey of Education in the United States, 1944-46: reference, 134.
Biennial Surveys of Education in the United States, 1938-40 and 1940-42: reference, 141.

Cafeteria head: salary trends, 1930–31 to 1948–49, 46–52.
California Constitution: reference, 142.
Camps: extent of use, 23; provision of, by city size, 24; trends in 1948, 25.
Census: Sixteenth (1940), reference, 6, 45.
Chain-store taxes: described briefly, 79, 101; legislation by states, 101.
Child-care centers: *See* Kindergartens and prekindergartens.
Cities: groupings for survey, 45; number included in salary survey, 45.
City-school employees: median salaries and index relationships, cities over 30,000, 1930–31 to 1948–49, 63; median salaries and index relationships, cities under 30,000, 1930–31 to 1948–49, 64; number included in survey, 45; range and distribution of salaries in 1948–49, 54–62; salaries of in 1948–49, 43–71; salary trends, 1930–31 to 1948–49, 46–52.
Class periods: in high school, 34; lengths of periods, 1948 and 1938, 33.
Class size: actual and recommended, 36; discussion, 35–37; median at each level, 37; recommendations on, 35, 36; typical, 37.
Congress: referred to, 154.
Consumers' Price Index: reference, 140, 141; referred to, 53.
Contracts: *See* Teachers in public schools.
Corporation taxes: described briefly, 79, 102–103; legislation by states, 103–105.
Council of State Governments: referred to, 129, 132.

Dalton plan: referred to, 20.
Delaware Laws, 1949: reference, 142.
Detroit Board of Education v. Superintendent of Public Instruction: reference, 91.

Education Directory, 1948-49: reference, 156; referred to, 156.
Elementary grades: departmentalization in, 16–17; trends in departmentalization, 16.

Forty-Eight State School Systems: reference, 131, 133.

General sales and use taxes: described briefly, 79, 89; legislation by states, 89–93; states deriving school revenues directly from general sales and use taxes, 1933, 1938, 1943, 1948, 92; states levying general sales and use taxes, 1933, 1938, 1943, 1948, 92.
Givens, Willard E.: forewords, 4, 44, 76, 128.
Guidance: extent of use, 23; provision of, by city size, 24; trends in 1948, 25.

Health departments, School: extent of use, 23; provision for, by city size, 24; trends in 1948, 25.

High schools: class periods, 33, 34; specialized, 26–27.

Income taxes: described briefly, 78, 80; legislation by states, 80–88; states allocating income tax revenues for school support, 1933, 1938, 1943, 1948, 88; states taxing income of individuals or corporations, 1933, 1938, 1943, 1948, 88.
Individualized instruction: *See* Organization, in city schools.
Inheritance, estate, and gift taxes: described briefly, 78–79, 88; legislation by states, 89.

Janitors: distribution of salaries, cities over 30,000, 1948–49, 61; distribution of salaries, cities under 30,000, 1948–49, 62; salary trends, 1930–31 to 1948–49, 46–52.
Junior colleges: changes in the number of, 1938 to 1948, 15; number and percent of districts operating, 14; trends, 1938 to 1948, 13–14.
Junior high school: number in operation, 1938 to 1948, 12; trends, 1938 to 1948, 11–12.

Kindergartens and prekindergartens: number of kindergartens, 1938 to 1948, 13; percent of city-school systems operating child-care centers in 1947–48, 14; percent of city-school systems operating in 1947–48, 13; percent of city-school systems operating nursery schools in 1947–48, 14; trends in child-care center programs, 14; trends in nursery-school programs, 14; trends, 1938 to 1948, 12–13.

Legislative appropriations from state general funds: discussion, 116–17; legislation by states, 117–19; proportions of state school revenues from appropriations of state general funds, 1943 and 1948, 117.
Libraries: extent of use, 23; provision of, by city size, 24; trend in 1948, 25.
Louisiana Constitution: reference, 100.

Miscellaneous excises and licenses: described briefly, 79, 102; legislation by states, 102.
Monthly Labor Review: reference, 77.
Motor fuel and motor vehicle taxes: described briefly, 79, 97–98; legislation by states, 98–99.
Municipal Finance News Letter: reference, 120.

National Education Association: affiliated local associations, 157; departments of, 156; membership in, by states, 157; minimum teacher education, 132; NEA handbook, reference, 135, 156, 157; single salary schedule urged, 142; teacher supply and demand in the United States, reference, 120.
National Education Association, Commission on Teacher Education and Professional Standards: referred to, 129, 136; teacher supply and demand in the United States, reference, 139.
National Education Association, Committee on Tenure and Academic Freedom: state minimum salary standard for teachers, 1944, reference, 116; teacher tenure: analysis and appraisal, reference, 145; teachers' contracts—principles and practices, reference, 145; teachers' oaths and related state requirements, reference, 147.
National Education Association, Research Division: advance estimates of public elementary and secondary schools for 1948–49, reference, 133, 135, 139; biennial salary surveys since 1922–23, 45, 46; high spots in state school legislation, reference, 149; legal status of the public-school teacher, reference, 149; local education associations at work, reference, 156; referred to, 44, 116, 129, 134; research bulletin, referred to, 77; salaries and salary schedules of city-school employees, 1948–49, reference, 142, 143; salary survey of 1938–39, 66; school finance systems, reference, 78, 90, 116, 119; school housing needs in city-school systems, 1947–48, reference, 120; special salary tabulations, referred to, 44; state minimum-salary laws for teachers, 1949–50, reference, 142; state salary standards, December 31, 1948, reference, 116; state school finance systems, reference, 116; state tax legislation affecting school revenues, 1939–1943, reference, 77, 102; statutory bases of state foundation programs for

Education (state)
Farlow

schools, reference, 116; teachers' salaries and economic trends, October 1948, reference, 53.
National Education Association, Research Division and American Association of School Administrators, Educational Research Service: circulars, reference, 65.
National Education Association, Research Division and National Council on Teacher Retirement: statutory provisions for statewide retirement systems, reference, 148, 153.
National Survey of the Education of Teachers: referred to, 132.
1947 Supplement to Where Cities Get Their Money: reference, 120.
Nursery schools: *See* Kindergartens and prekindergartens.
Nurses: distribution of salaries, cities over 30,000 in 1948–49, 61; distribution of salaries, cities under 30,000 in 1948–49, 62; salary trends, 1930–31 to 1948–49, 46–52.

Organization, in city schools: ability grouping, 17; administrative divisions, description, 8–9; administrative divisions, extent of use of each type, 9; administrative divisions, grades included in each, 9; adult education, 23, 24, 25; audio-visual education, 23, 24, 25; calendar and schedule, 29–34; camps, 23, 24, 25; class periods, length of, 22; class size, 35–37; criteria for changes in school organization, 38–39; departmentalization in elementary grades, 16–17; flexible schedules, 22; grade lines, elimination of, 18, 19; guidance, 23, 24, 25; health departments, 23, 24, 25; individualized instruction, 20–21; library service, 23, 24, 25; "no failure" policy, 20, 21; number and percent of city-school systems reporting certain special services and programs, 1948 and 1938, 23; organization policies and practices, 16–22; patterns of organization by city-size and region, 10; patterns of organization, comprehensive systems, 11; patterns of organization, elementary-school systems, 11; patterns of organization, high-school systems, 11; patterns of organization, separate elementary- and high-school districts, 11; percent of cities having class periods of indefinite length, 22; percent of cities having "no failure" policy, 20; percent of cities having remedial classes, 19; percent of cities having some individualized instruction, 21; percent of cities having ungraded classes, 18; percent of cities using divisions instead of grades, 18; platoon organization, 17, 18; promotion periods, 29–31; promotion periods, by type of school, 30; promotion periods, changes in, 31; promotion periods, use of annual promotions, by city size and type of school, 31; recreation departments, 23, 24, 25; relation of organization to program, 14; remedial classes, 19–20; replies to questionnaire on, 5, 6; school day, changes in length of, 31–33; school day, hours for opening and closing school, 33; school lunch program, 23, 24, 25; school operated camps, 23, 24, 25; school terms or promotion periods, 29–30, 31; school year, 28, 29; size of schools, 35; size of schools, average and recommended, by type of school, 35; special programs and services, 23–25; special types of schools, 26–28; summer sessions, 23, 24, 25; transportation, school, 23, 24, 25; trends in organization, 1938–1948, 3–39; trends in the provision of special services and programs, 23–24; types of city-school systems, 7; types of city-school systems, by city size and region, 1947–48, 7; veterans education departments, 14, 15; work experience, 23, 24, 25.

Physicians: salary trends, 1930–31 to 1948–49, 46–52.
Platoon plan: *See* Organization, in city schools.
Poll taxes: described briefly, 79, 105; legislation by states, 105.
President's Committee on the Cost of Living: reference to, 53.
Principles: distribution of salaries, cities over 30,000 in 1948–49, 56; distribution of salaries, cities under 30,000 in 1948–49, 57; median salaries and index relationships, cities over 30,000, 1930–31 to 1948–49, 63; median salaries and index relationships, cities under 30,000, 1930–31 to 1948–49, 64; salary trends, 1930–31 to 1948–49, 46–52.
Property taxes: described briefly, 79, 105–106; legislation by states, 106–109; states levying, 1933, 1938, 1943, 1948, 106; states levying, for school support, 1933, 1938, 1943, 1948, 106.

Recreation departments: extent of use, 23; provision of, by city size, 24; trends in 1948, 25.
Reeves v. Adam Hat Stores: reference, 101.
Released time for religious instruction: grade level of programs, 28; number and percent of cities releasing pupils for religious instruction, 28; number of pupils affected by, 27; plans in operation, 27–28; trends, 1938 to 1948, 27.
Remedial classes: *See* Organization.
Requirements for Certification of Teachers and Administrators: reference, 131.

Salaries: average, 137, 140, 141, 158; distribution of teachers' salaries, cities over 30,000 in 1948–49, 54; distribution of teachers' salaries, cities under 30,000 in 1948–49, 55; forms and definitions used in collecting data, 70; maximum salaries in single salary schedules, classroom teachers, cities over 30,000 in 1948–49, 66; median salaries and index relationships, 62–64; minimum and maximum salaries of classroom teachers, 66–68; minimum salaries by states in 1949–50, 143; minimum salaries, discussed, 142; minimum salaries in single salary schedules, classroom teachers, cities over 30,000 in 1948–49, 66; purchasing power and comparative value, 53, 141; range and distribution in 1948–49, 54–62; salary differentials, basis of preparation, cities over 30,000, 67; salary increments, classroom teachers, 68–69; single salary schedules discussed, 65–66, 159; single salary schedules, urged by National Education Association, 142; trends, 1930–31 to 1948–49, 46–52.
Salary schedules: defined, 65; for classroom teachers, 65–69, 159; number of city-school systems reporting in 1948–49, 65; types and number of city-school systems reporting each, 65, 65–66; types and percent of city-school systems reporting in 1948–49, 143.
School day: changes in length of, 31–33; opening and closing hours, 33.
School lands and permanent school funds: laws described briefly, 112; legislation by states, 112–15.
School lunch program: extent of use, 23; provision of, by city size, 24; trends in 1948, 25.
School revenues, State legislation affecting: *See* Tax legislation affecting schools.
School year: length of, 1938 and 1948, 28, 29.
Schools: classification into major types, 8; for exceptional children, 26; kinds of, 7–8; number and percent of each type, 8; number and percent of pupils in each type, 8; size of, 35; total enrolment, 128; ungraded classes, 18, 19.
Secretarial and clerical employees: distribution of salaries, 1948–49, 60; median salaries and index relationships, cities over 30,000, 1930–31 to 1948–49, 63; median salaries and index relationships, cities under 30,000, 1930–31 to 1948–49, 64; salary trends, 1930–31 to 1948–49, 46–52.
Segregation in education: by race, 26; by sex, 26.
Senate Finance Committee, Advisory Committee on the Social Security Act: referred to, 154.
Severance taxes: described briefly, 79, 99; legislation by states, 99–101; states having severance tax laws, 99.
Single salary schedules: adoption recommended by National Education Association, 142; discussion, 65–66, 159; minimum and maximum salaries, classroom teachers in 1948–49, 66; number of salary increments, classroom teachers in cities over 30,000, 69; salary differentials, basis of preparation, 67; size of salary increments, classroom teachers in cities over 30,000, 68; uniformity or variety in size of increments, classroom teachers in cities over 30,000, 69.
Social Security Act: *See* Teachers in public schools.
Special education: enrolment in special schools, 27; enrolment in specialized high schools, 27; for exceptional children, 26, 27; number of special schools, 27; number of specialized high schools, 27; specialized high schools, 26–27.
State tax surveys and commissions: described briefly, 109; legislation by states, 109–11.
State Workmen's Compensation Laws as of October 1, 1948: reference, 148.
Statistics of State School Systems, 1943–44: reference, 77.
Statistics of State School Systems, 1946–47: reference, 77, 116, 120, 134, 135.
Summary of State Government Finances in 1948: reference, 77, 79, 80, 106, 120.
Summary of Teacher Certification Requirements, 1947–48: reference, 131.
Summer sessions: extent of use, 23; provision of, by city size, 24; trends in 1948, 25.
Superintendents: distribution of salaries, cities over 30,000 in 1948–49, 58; distribution of salaries, cities under 30,000 in 1948–49, 59; salary trends, 1930–31 to 1948–49, 46–52.
Supervisory officers: distribution of salaries, cities over 30,000 in 1948–49, 58; distribution of salaries, cities under 30,000 in 1948–49, 59; median salaries and index relationships, cities over 30,000, 1930–31 to 1948–49, 63; median salaries and index relationships, cities under 30,000, 1930–31 to 1948–49, 64; salary trends, 1930–31 to 1948–49, 46–52.
Survey of Current Business: reference, 77, 140, 141.

Tax collections: totals by type, 1944 and 1948, 79.
Tax legislation affecting schools: alcoholic beverage taxes, 79, 93–96; chain-store taxes, 79, 101; corporation taxes, 79, 102–105; general sales and use taxes, 79, 89–93; income taxes, 78, 80–88; inheritance, estate, and gift taxes, 78–79, 88–89; legislative appropriations from state general funds, 116–19; miscellaneous excises and licenses, 79, 102; motor fuel and motor vehicle taxes, 79, 97–99; poll taxes, 79, 105; previous studies, 76, 77; property taxes, 79, 105–109; school lands and permanent school funds, 112–15; school revenue trends, 120–21; scope of the report, 77; severance taxes, 79, 99–101; states levying various types of taxes in 1943 and 1948, 122–23; tobacco taxes, 79, 96–97.
Tax systems: reference, 123.
Teacher certification: *See* Teachers in public schools.
Teacher personnel in the United States: reference, 132.
Teachers in public schools: annual earnings of all employed persons compared with average salaries of teachers, 140; associations of teachers, professional, 156, 157, 159; average salaries, 137, 140, 141, 158–59; certification, discussion, 130, 158; certification requirements by states, 131; contracts, 144, 145, 158; definition, 129; disability benefits, 148, 150, 159, disability benefits, by states, 149; dismissal, 144;

emergency teachers, discussion, 130; emergency teachers, percent of, 131, 138–39; levels of preparation, by states, 133; local education associations, 157; loyalty, 146, 147; men, percent of among classroom teachers, 135; minimum salaries by states in 1949–50, 143; minimum salaries, discussed, 142; National Education Association, affiliated local associations, by state, 157; National Education Association, departments of, 156; National Education Association, membership in, by states, 157; number, 128, 134–35, 158; oaths and related requirements, 146, 159; oaths and related requirements, by states, 147; preparation, 132–33, 158; present status, 127–59; ratio of pupils to teachers, 135; retirement laws, 150–51, 159, retirement provisions, by states, 152–53; salary schedules, 43–71, 142, 143, 159; scope of the report, 129; sick leave, 148, 159; sick leave, by states, 149; single salary schedule, adoption urged, 142; social security and state retirement benefits compared, by states, 155; social security and teachers, 154; state education associations, membership in, 157; subversive groups, membership in, forbidden, 146, 147; teacher demand and supply, 136, 138–39, 158; tenure, 144, 145, 158; uses of the report, 129; workmen's compensation for teachers, 18, 150; workmen's compensation for teachers, 148,150; workmen's compensation for teachers, by states, 149.

Teachers' salaries: *See* Salaries.

Tobacco taxes: described briefly, 79, 96; legislation by states, 96–97; states deriving school revenues directly from, 1933, 1938, 1943, 1948, 97; states having tobacco tax laws, 1933, 1938, 1943, 1948, 97.

Transportation, school: extent of use, 23; provision of, by city size, 24; trends in 1948, 25.

Trends: in ability grouping, 17; in adult education in 1948, 25; in audio-visual education in 1948, 25; in camps in 1948, 25; in city-school organization, 1938–1948, 3–39; in class periods in 1947–48, 22, 33, 34; in class size, 1938 and 1948, 37; in departmentalization in elementary schools in 1947–48, 16; in grade lines, elimination of, 18, 19; in guidance in 1948, 25; in health departments in 1948, 25; in individualized instruction in 1947–48, 21; in junior colleges, 1938 to 1948, 13–14, 15; in junior high school, 1938 to 1948, 11–12; in kindergartens and prekindergartens, 1938 to 1948, 12–13; in library service in 1948, 25; in median salaries and index relationships, 1930–31, 1940–41, and 1948–49, 63, 64; in "no failure" policy in 1947–48, 21; in platoon organization in 1947–48, 18; in promotion periods, 1938 to 1948, 30, 31; in provision of special services and programs in 1948, 24–25; in recreation departments in 1948, 25; in remedial classes in 1947–48, 20; in salaries of school employees, 1930–31 to 1948–49, 46–52; in salaries paid, 1930–31 to 1948–49, 46–53; in school day, changes in length of since 1938, 31, 32; in school revenue, 120–21; in school year, length of in 1938 and 1948, 28, 29; in status of teachers, 158–59; in summer sessions in 1948, 25; in teachers' salaries, 1930–31 to 1948–49, 46–52; in transportation, school, in 1948, 25; in types of taxes levied, 1943 and 1948, by states, 122–23; in ungraded classes, in 1947–48, 19; in work experience in 1948, 25.

Ungraded classes: *See* Organization.

U. S. Bureau of Labor Statistics: reference to, 53.

U. S. Census Bureau: referred to, 89.

U. S. Government: referred to, 129.

U. S. Office of Education: referred to, 134.

Veterans education: establishment of separate departments for veterans, 14; number and percent of city-school systems having veterans' departments in 1947–48, 15.

Winnetka plan: referred to, 20.

Work experience: extent of use, 23; provision for in 1947–48, by city size, 24; trend in 1948, 25.
